

JOB TITLE: Crisis Clinician

DEPARTMENT: Oakland Crisis Intervention Recovery Team (OCIRT)

CLASSIFICATION: Hourly/Non-Exempt

REVISED: 8/19

POSITION DESCRIPTION

PROGRAM DESCRIPTION:

Common Ground's core purpose is helping people move from crisis to hope, which is carried out through caring and empathetic staff who work in crisis programs across the crisis continuum. As part of the Oakland Crisis Intervention Recovery Team, which is a mobile crisis team, the OCIRT Crisis Clinician is a team partner with a Recovery Coach who is a Certified Peer Support Specialist. Together much of the time, they respond on-site to crisis calls that cannot be resolved by the Resource & Crisis Helpline telephonically/text/chat in Oakland County. In addition, the team responds to locations as directed by the Crisis Assessment Team Shift Supervisor.

SUMMARY:

The Crisis Clinician utilizes best practices in crisis intervention in behavioral health (mental health and substance use) prevention and postvention crisis services, education, crisis stabilization services, short term treatment (i.e. strength-based crisis therapy, cognitive-behavioral interventions, mindfulness approaches, anger management, and coping skills), and follow up services until connected to an ongoing services provider. The team serves children, adolescents, adults, senior adults and families as well as schools, neighborhoods, organizations and businesses by providing up to 30 days of in-home crisis counseling to people in crisis to facilitate immediate stabilization of emotions and behavior. OCIRT is supported by the resources of a crisis center staff which includes psychiatrist and nurses, as well as a continuum of crisis services for which the Crisis Clinician has access.

ESSENTIAL JOB FUNCTIONS:

- Check in with Crisis Traffic Coordinator via text or cell phone before entering destination and upon leaving for safety and to be redeployed
- Use Crisis Theory to provide crisis counseling to people in order to facilitate immediate stabilization of emotions and behavior
- Able to assess and stabilize different ages and stages of development/lifespan (children, adolescents, adults, and senior adults) and different cultural backgrounds and experiences
- Focus of care is people with serious mental illness and co-occurring disorders, children/adolescents and family interventions including Suicidal/Homicidal thoughts and behavior, Alcohol and Drug substance use and abuse issues including need for medical detoxification, Psychotic and/or delusional thinking, and Identifying victims of domestic violence, human trafficking or other trauma as part of services
- Develop short-term crisis management/safety plans with people and their families
- Educate self and share with the team appropriate community referrals and supportive services
- Educate families about the knowledge/understanding of the involuntary commitment process for Assisted Outpatient Treatment, Order for Exam, and involuntary hospitalization
- Coordinate with other service providers, make warm hand-offs to ongoing service providers, and follow up to ensure the person is doing well
- Make appropriate referrals to other agencies (e.g. Access, Core Provider Agency, etc.)
- Concurrently document on agency supplied computer or tablet so that minimal documentation is carried over after service is completed
- Complete required documentation in an accurate and timely manner
- Responsible for clinical review for all signed charts
- Comply with attendance and punctuality policies, as well as all other Common Ground policies and procedures

RELATED JOB FUNCTIONS:

- Ensure all paperwork is complete and provide person/family with necessary copies of signed documents
- Work collaboratively with service providers and referrers, they utilize recovery principles while comforting people in crisis and provide hope, choice, empowerment in a recovery environment
